1. Enrollment and Student Representation

By enrolling in any program provided by C&T Driving School LLC ("C&T Driving School"), the student—and, if the student is under 18 years of age, their parent or legal guardian—agrees to all terms, conditions, and policies set forth in this Agreement.

- **Accuracy of Information:** The student represents that all registration information (including legal name, date of birth, phone number, email address, and home address) is complete, accurate, and belongs solely to the student.
- **Legal Name Matching:** The student's registered name must match the exact legal name shown on the official identification provided to the Utah Driver License Division (DLD).
- **Verification:** C&T Driving School reserves the right to request state-approved identity documentation at any time to verify student identity, age, and state compliance.

The student is responsible for promptly notifying C&T Driving School if any registration information changes.

2. Package Scope & Operational Terms

Option A: Online Only Course (\$90.00)

- Includes access to the 30-hour online classroom curriculum and administration of the required in-person final examination.
- Fulfills only the classroom/online instructional requirement for Utah driver education upon successful completion of all coursework and the final exam.
- **Does not include** Behind-the-Wheel (BTW) driving instruction or observation hours. BTW instruction must be purchased separately if desired.

Option B: Full Course (\$390.00)

- Includes access to the 30-hour online classroom curriculum, administration of the required in-person final examination, and six (6) hours of Behind-the-Wheel (BTW) instruction with a licensed instructor.
- Fulfills both classroom and behind-the-wheel instruction requirements upon successful completion of all components.
- **BTW Eligibility:** Students are eligible to schedule their 6 hours of BTW instruction **only after** completing the 30-hour online coursework AND passing the required in-person final examination.

3. Student Account Security & Academic Integrity

Course access is provided specifically to the student who enrolls.

- **Individual License:** Access to the course portal is strictly assigned to the enrolled student and is non-transferable.
- **Prohibited Conduct:** Sharing account login credentials, allowing another individual to complete coursework or assessments, distributing course materials, or impersonating a student is strictly prohibited.
- **Integrity Violations:** C&T Driving School monitors active session duration, IP addresses, and user interaction logs. Any reasonable evidence of academic dishonesty, account sharing, or cheating will result in immediate termination of the account without refund and forfeiture of all course progress.

4. Course Completion Requirements

The student must personally complete all 30 hours of coursework, activities, assessments, quizzes, and other requirements established by C&T Driving School.

Simply logging into the Course or accessing course materials does not constitute completion.

The student understands that completion requires satisfying **all applicable Course completion requirements**, including any minimum scores, required activities, time requirements, or other requirements established by C&T Driving School.

C&T Driving School reserves the right to verify course activity and completion before recognizing the student as having completed the classroom portion of driver education.

5. Mandatory In-Person Final Examination

Successful completion of the online coursework does **not automatically schedule the student's in-person final examination**.

After completing the required online coursework, the student must follow C&T Driving School's instructions for requesting or scheduling the required in-person final examination.

- **In-Person Requirement:** Utah DLD regulations require the completion of an in-person final examination administered by C&T Driving School staff to receive classroom completion credit.
- **Scheduling Responsibility:** The student is responsible for contacting C&T Driving School to schedule the examination appointment after completing all online modules.
- **Identification:** The student must present valid physical identification (e.g., Utah Learner Permit, State ID, or School Photo ID) matching their registered legal name prior to taking the exam. Failure to present valid identification will result in refusal to administer the exam.

The name provided during enrollment and used for course completion records must match the student's legal name as it appears on the documentation they will use with the Utah Driver License Division.

If the student does not provide required documentation, C&T Driving School may be unable to administer the examination or record the student's completion until the required documentation is provided.

6. Behind-the-Wheel (BTW) Training Terms (\$390 Full Course Only)

- **Prerequisites:** BTW driving lessons will only be scheduled **after** the student has fully completed the 30-hour online course AND passed the in-person final examination.
- **Mandatory Learner Permit:** The student must possess a valid physical Utah Learner Permit during every behind-the-wheel driving session. Instructors will not allow a student to drive without a physical permit present.
- **Safety & Refusal:** Instructors reserve the right to immediately terminate or cancel any driving session if the student lacks a physical permit, appears impaired, exhibits unsafe behavior, or wears inappropriate footwear/attire. Terminated sessions will count as forfeited hours or incur a fee.

7. Payment, Refund, & Chargeback Policy

- **Payment Requirement:** Access credentials, examination slots, and behind-the-wheel appointments are confirmed only after full payment (\$90.00 or \$390.00) has cleared and been confirmed.
- **Strict Refund Policy:**
 - A full refund may be requested **only before** course login credentials have been generated or issued.
 - **Once login credentials or course access have been provided, tuition is 100% non-refundable.** This applies regardless of account activity, module completion, failure of the final examination, or voluntary withdrawal.
- **Chargebacks & Payment Disputes:** Initiating a credit card chargeback or payment dispute for services rendered after login credentials have been issued constitutes a breach of this Agreement. C&T Driving School reserves the right to present this signed Agreement, IP access logs, and registration records to financial institutions to overturn disputed charges and revoke all completion records submitted to the Utah DLD.

8. Course Expiration & Completion Window

The **student must complete the Course within six (6) months** from the date of confirmed enrollment.

- **6-Month Deadline:** All coursework, including the in-person final exam and behind-the-wheel sessions (if applicable), must be fully completed within **six (6) months** from the date of initial payment confirmation.
- **Termination upon Expiration:** If the student fails to complete all requirements within 6 months, enrollment will automatically expire, course access will be revoked, and all tuition will be forfeited.
- **Re-Enrollment Fee:** Any extension or re-enrollment after the six-month period is subject to C&T Driving School's policies and may require additional payment.

9. Scheduling and Attendance

The student is responsible for contacting C&T Driving School to schedule the in-person final examination after completing the online Course requirements.

An appointment is not considered scheduled until C&T Driving School has confirmed the appointment.

Students are responsible for arriving on time and prepared with all required documentation.

C&T Driving School may establish separate scheduling, cancellation, rescheduling, and no-show policies for in-person examinations and other services.

10. Course Completion and Driver Licensing

Completion of C&T Driving School's classroom/online requirements does not guarantee:

- A passing score on the in-person final examination;
- A passing score on any Utah Driver License Division examination;
- Issuance of a learner permit or driver license;
- Eligibility for a driver license; or
- Completion of any requirement that is outside the portion of driver education provided by C&T Driving School.

The student remains responsible for satisfying all applicable requirements of the **Utah Driver License Division**.

11. Parent / Legal Guardian Authorization (Required for Minors)

If the student is under 18 years of age, a parent or legal guardian must agree to these terms. The parent/guardian confirms that they possess legal authority to execute this Agreement, accept full financial responsibility for all fees and penalty charges incurred, and consent to the student's participation in online and behind-the-wheel instruction.

12. Changes to Course Content

C&T Driving School may update, modify, replace, or improve Course materials, activities, assessments, policies, or procedures when reasonably necessary, including changes required to maintain compliance with applicable Utah requirements.

Such changes will not eliminate Course requirements that have already been satisfied by the student unless necessary to comply with applicable law or regulatory requirements.

13. Student Communications

The student agrees that C&T Driving School may use the contact information provided during registration to communicate regarding:

- Enrollment;
- Payment;
- Course access;
- Course completion;
- Final examination scheduling;
- Required documentation;
- Important course or administrative notices.

The student is responsible for maintaining access to the email address and phone number provided during registration and for reviewing communications from C&T Driving School.

15. Electronic Agreement

By checking the agreement box and submitting the enrollment form, the student acknowledges that they have had an opportunity to review this Enrollment Agreement and agree to be bound by its terms.

The electronic acceptance of this Agreement is intended to have the same effect as the student's written acknowledgment, to the extent permitted by applicable law.

C&T Driving School may maintain a record of the student's acceptance, including the date and time of acceptance and the version of the Agreement presented at enrollment.

16. Governing Requirements

This Agreement is subject to applicable federal and Utah law and to the rules and requirements applicable to driver education and driver licensing.

If a provision of this Agreement is determined to be unenforceable, the remaining provisions will remain in effect to the extent permitted by law.
